Re: OL/PD 1004D

25X1A9a Dear [REDACTED]:

Reference is made to your letter dated August 28, 1956, requesting that we stock pink and blue manifold carbon paper sets in the Region 3 Stores Depot.

We have been advised by Central Office that the pink sets will be listed in the January 1957 issue of the catalog for all GSA stores depots. We have also been advised that some of the regions, if not all, will be listed as stocking the blue sets. Based on your letter that there will be a demand for the blue sets by your agency, we have submitted a request that this region also be included in the listing for blue sets.

Very truly yours

C. Oris Potts  
Acting Chief,  
Inventory Management Branch
